NEWS RELEASE

Monday, July 4, 2022 at 11:15 am, News Release No. 68

SUBJECT: COVID-19

LOCAL RISK FACTOR: <u>MEDIUM</u>

POSITIVE COVID-19 CASES: The City of Saint Paul was informed 1 non-resident who recently traveled tested positive for COVID-19 on Monday, July 4, 2022.

ACTIONS TAKEN to ensure the safety of the community:
- The positive individual will isolate for 5 days and must wear a <u>well-fitted mask</u> for 10 days while around others.
- Close contacts of the positive individuals will quarantine for 5 days.
- **REMINDER: Individuals in isolation or quarantine will not be able to participate in 4th of July activities.**

TOTAL POSITIVE CASES TO DATE: Since the beginning of the COVID-19 pandemic Saint Paul Island has had 163 individuals that have tested positive for COVID-19.

ACTIVE POSITIVE CASES: As of today, Saint Paul Island has 5 active COVID-19 cases.

COVID-19 PREVENTIVE MEASURES: Wash Your Hands, Wear a Mask in Indoor Public Spaces, Watch For Symptoms, Stay Health, Vaccinate.

GET TESTED IF YOU ARE SICK: If are feeling ill or sick no matter how minor the symptoms get tested for COVID-19. Contact the Saint Paul Health Center during normal business hours to arrange to get tested. Additionally, if you are feeling sick stay home from school or work.

GET VACCINATED AND BOOSTED: To protect yourself and others against COVID-19 if eligible get vaccinated and boosted.

COVID-19 TESTING: COVID-19 testing is readily available on Saint Paul Island. Contact Public Safety at 907-546-3130 to pick up test kits or to schedule a time to get tested. Please make sure to send your test results to snpcovid19@stpaulak.com.
