Tuesday, September 6, 2022 at 5:30 p.m.

Today the City Council of the City of Saint Paul extended City of Saint Paul Emergency Ordinance 22-99 regarding mitigation/protective measures to prevent the spread of COVID-19 throughout Saint Paul Island. This ordinance will be in effect for 30 days until October 6, 2022. There were several changes to the ordinance which are listed below:

- Post travel quarantine is no longer required.
- Anġiliisiġ (breath catchers/face masks/face coverings) are recommended but not required.
- Community/Workforce Protection Plans are no longer required for essential workers.

Saint Paul Island Guide to COVID-19 Community Mitigation/Protective Measures

Attached is a guide the our community COVID-19 mitigation/protective measures.

Pre and Post Travel Testing

Reminder that the City does accept OTC or home antigen tests. You can send a picture of your results to snpcovid19@stpaulak.com. If you need test kits please contact Public Safety at 901-546-3130.

Use of Anġiliisiġ (breath catchers/face masks/face coverings)

It is recommended to wear anġiliisiġ (breath catchers/face masks/face coverings) in all public indoor settings. Cloth masks are not recommended. Double masking, KN95 or N95 masks are recommended.

COVID-19 Testing

COVID-19 testing is readily available on Saint Paul Island. The City offers free COVID-19 tests kits for residents traveling and essential workers. To request a home test kit email snpcovid19@stpaulak.com or call 907-546-3130.

Vaccine

If you are eligible to get the COVID-19 vaccine or booster, get vaccinated and boosted to protect yourself, our community and our children that are not eligible to get the vaccine! Contact the Saint Paul Health Center at 907-546-8300 to make your appointment.

For up-to-date Saint Paul Island COVID information please visit our response page at: <https://covid19.stpaulak.com>.

Please let Monique Baker, City Clerk, mbaker@stpaulak.com or 907-546-4170 know if you have any questions regarding travel to the island, plans, or requirements once you arrive.

Thank you to everyone for doing your part continuing to help prevent the spread of COVID-19 throughout Saint Paul Island!

Guide To COVID-19 Community Mitigation/Protective Measures

In order to keep our community safe and prevent the spread of COVID-19, the Saint Paul City Council passed an emergency ordinance that outlines community mitigation/protective measures. Listed below are a summary of these mitigation/protective measures.

Pre-Travel Testing

All individuals, regardless of age, traveling to Saint Paul Island must submit a negative COVID-19 test result to the City within 48 hours prior to travel. If using an over-the-counter (OTC) home test for pre travel testing, please test and send results 24 hours prior to travel.

Post-Travel Testing

All individuals, regardless of age and vaccination status, must submit a negative COVID-19 test result to the City within 24 hours after arrival on Saint Paul Island.

Reminder that the City does accept over-the-counter and home antigen tests. Send a picture of your results to snpcovid19@stpaulak.com.

Use of Anġiliisiġ (breath catchers/face masks/face coverings)

Businesses that may require the use of Anġiliisiġ:

- Saint Paul Health Center
- City Hall for public/visitors

Wearing an anġiliisiġ, double masking, KN95 or N95 masks in all public indoor settings is recommended. Cloth masks are not recommended.

COVID-19 Testing

COVID-19 testing is readily available on Saint Paul Island. Free COVID-19 tests kits are available from the City for traveling residents and essential workers that are testing daily. To request a home test kit, email snpcovid19@stpaulak.com or call 907-546-3130.
