

PUBLIC SERVICE ANNOUNCEMENT

Quick Reference

Emergency Ordinance 23-90

Travel

- All Travelers submit a Pre and Post travel test result,
- Take home tests are due 24hrs prior to and after travel,
- Send results to snpCOVID19@stpaulak.com

Close Contact Quarantine

- Close contact (less than 6 feet, for 15 minutes or more over a 24hr period) with anyone who tested positive,
- Required to quarantine for 5 days,
- Wear a mask when around anyone in your home,
- Monitor symptoms for 10 days, test on the 5th day,
- Don't travel,
- If you become positive during quarantine, a 10-day isolation starts.

(Example, if you were around a positive individual on the 6th, you'd test on the 11th, and wear a mask until the 16th. If you have a positive test on the 11th, a 10-day isolation starts until the 21st.)

Isolation for Positive Individuals

- All who have tested positive will isolate for 10 days,
- Wear a mask when around anyone in your home,
- Don't travel,

From the day your positive result was submitted, you can reduce isolation time if you test negative on the 6th, 7th, and 8th day. (Example, if you were positive on 11th, you can get out on the 19th versus the 21st if you are negative on the 17th, 18th, and 19th)

Let's work together to shorten the impact!
